FREDERICK, MD. 21702

Dear Hal:

Just a very quick letter as I've been busy sending some of the stuff enclosed to all the FHK publications. My long article ("I LIVED ONE LIFE") explains it all.

Let me know what you think about the recent flap about me being an "FBI Informant". The loonies are really loose on this one.

I wish I had more time to say more but enclosed will tell just about all for now.

Best,
Hal Verb
